

VOLUNTEER CHAMPIONSHIP DAY ROVING PHOTOGRAPHER

INFORMATION FOR CHAMPIONSHIP DAY ROVING PHOTOGRAPHER

We require a volunteer to take photographs on Nipper Championship Day. Anyone who volunteers **MUST** have a Working with Children Check (**WWCC**). The Nipper photo declaration includes a disclaimer for filming and photography. Still shots and videos are all suitable.

This person will use their own camera and be ready to take shots before the competition begins. There is a lot of action setting up when you will be able to take good shots of casual, spontaneous action.

Each age group should be photographed throughout the day – either on the beach, cheering, getting ready for action, and lots of action shots. We also want shots of our hard-working leaders and instructors, parents getting into the spirit of the day and lots of fun.

We would like to have shots of groups of Nippers in action, rather than one Nipper at a time. We also need to have shots with sponsors logos in clear view so that we can acknowledge their contribution with great photos.

At Nipper Presentation Night we will need your photos displayed upstairs on the TV screen. If you need help to get this going, please speak to the Volunteer Supervisor.

After Nipper Presentation Night, we will need to have your photos made available to us. They should be forwarded to the Office. The best way to do this is to place them (eg a card, disc etc) in an envelope with your details and addressed to the Club Historian. If we use any photographs for legitimate, promotional purposes in the future, you will be contacted and your permission sought.
